THE POWER OF FOCUS
Drib is possibly the most important factor of balance poses. Missing focus, drib is the point where you shift your focus during the yoga practice. Drib is the practice of watching your gaze.

HIT THE trails

Here, early dawns burn bright with the
promise of adventure. To your tent at
sun-making, set aboard a luxurious catamaran,
or give yourself a day to know the lush pathways
around Mt. Linau as the back of your hand.
Better yet, do it all.
