

## Lynn Parks

**Gender:** Female

**Languages Known:** English

### **Biography:**

Thank you for taking a moment to view my Bio. I am a female commercial & fine art photographer. Capturing subjects digitally & on film has been an amazing journey. When I shoot "THE" shot I still feel excitement & it gives me great satisfaction. It is cool to be able to write this after 23 years of shooting. What a pleasure to make a living as an artist!
